

NORDIC CHAMPIONSHIP & CHALLENGE NORDIC GAMES

Engelholms BMX club are very proud to invite you to Nordic Championship and Challenge Nordic games 2015 at Sibirien BMX Arena. This will be the first event ever on a Super Cross track in Sweden.

The track at Sibirien Arena was built by GSX 2013 and host of two European Rounds the same year. A lot of positive response came out from the riders who participate in that event. In 2015 the track was updated with eight meters startinghill and will be hosttrack of World Cup Super Cross 2015 in August 15-16.

Ängelholm is a town, beautifully situated in the south of Sweden right by the westcoast, with the most and best around the corner. Ängelholm has over 40 000 inhabitants and our nearly 500-year old town offers beautiful scenery, culture, recreation, pulse and pleasure.

The beach and sea are lovely during the summer and we recommend a visit.

The race is held according to the UCI rules for BMX racing and the rules for Nordic Championship BMX and Challenge Nordic games.

CLASSES;

Nordic Championship:

Junior Women/Junior Men: 17-18 years

Elite Women/Elite Men: 19 years and over
